

GRAPE TOMATOES

FUN FACTS:

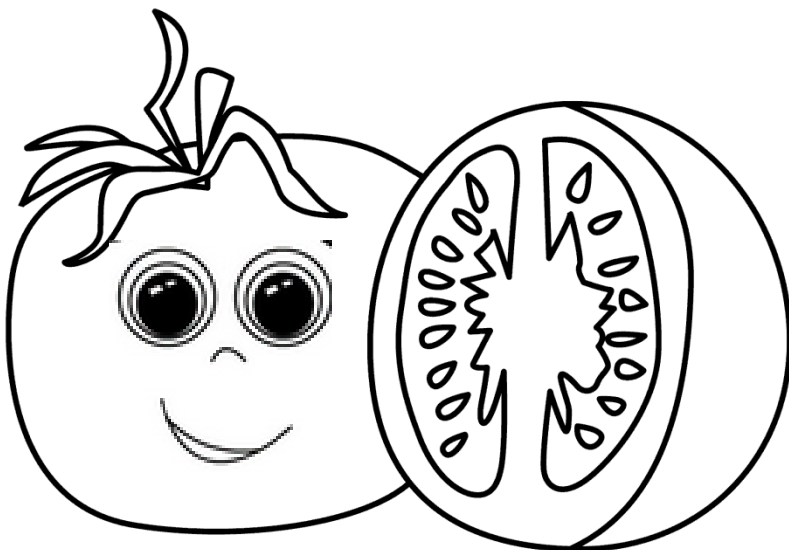

They have a glossy, red colored thick skin,
Although there are other colors, like gold!

They have a very juicy/flavorful flesh.

These grow to contain more sugar,
providing a rich and sweet flavor

These were first grown in South America
along with Eleven other tomato varieties

They were given the name "grape tomato"
by a grower hundreds of years ago!

WHAT
COLOR
IS THIS
TOMATO?
